Subject: Section Managers bet
Date: Thur , 29 Nov 2001 21:20:23 EST
From: K8qoe@aol.com
Editors

This is the result of the bet between Section Managers in Ohio and Michigan. The photo, result of the bet, is in attached file. The story is written as a outline to that story.

FOR IMMEDIATE RELEASE

Michigan ARRL Section Manager Dick Mondro, W8FQT, is a dedicated University of Michigan alumnus and normally would not be caught dead wearing anything marked Ohio State University - a historic college football rival. But he must endure this photo of him in a OSU jersey, published in ham radio publications, after losing a bet with Ohio Section Manager, Joe Phillips, K8QOE, last weekend. Both Section Managers bet on the outcome of the Ohio State-Michigan football game at Ann Arbor, Michigan. OSU and Joe won by a score of 26-20 and so Joe will not have to embarrass himself in a Michigan clothing. "I can't believe have to have anyone see me in these colors," said a chagrined Dick, "now I can't wait to get back in my Maize and Blue colors and forget this ever happened."

Cute. Now what do we have to do to get Joe
"Indians forever" Phillips into a
Cincinnati Reds ball cap?
